

# Mid Western Forestry Best Value for Planting

Farmers, are you planting some of your land this year?  
Are you looking for the highest quality at the lowest cost?

***If so, we want to talk to you!***

When you plant with Mid Western Forestry you will have **NO COSTS** as we will plant and maintain your plantation for 5 years in return for the grant. In addition we will give you:

**25% EXTRA PROFIT** - we will plant you land with the faster growing and more expensive “Improved Sitka Spruce” which will give you 20% extra timber and 25% extra profit from your plantation, at no extra cost to you.

**5 YEARS FREE INSURANCE** - we will insure your plantation for the first 5 years against fire and capital loss, free of charge.

**SUPERIOR FENCING** - your plantation will be fenced using superior quality fencing posts and wire to BS EN10244-1/2 and BS EN 10223-5, all at no extra cost to you.

**OPPORTUNITY TO EARN MONEY** - if you have already done some work on your plantation such as got an approval on the land, or if you wish to undertake some of the establishment work yourself, we will undertake the overall contract and pay you for this work.
